One trusted contact. *Every property move.*

Fixer Lifestyle is an independent real estate and lifestyle concierge company built around a simple principle: exceptional service should feel personal, proactive and effortless.

We support private clients, companies and relocating professionals with property sales, rentals, sourcing, specialist accommodation and lifestyle assistance. From the first brief to move-in and beyond, clients have one responsive point of contact coordinating every detail.

OUR PROMISE

Listen

We begin with the priorities behind the property brief.

Curate

We select relevant opportunities and remove unnecessary noise.

Deliver

We coordinate negotiation, documentation, relocation and move-in.

Stay close

We remain available for the details that follow.

Real estate, refined *around you.*

01 · BUY & SELL

Property Sales

Clear, commercially minded support for buyers and sellers, from the first conversation and market search through negotiation and completion.

02 · LET & RELOCATE

Rentals

A considered rental service connecting landlords, private tenants and corporate clients with suitable homes and well-managed opportunities.

03 · ON & OFF MARKET

Property Sourcing

Targeted property searches shaped around location, budget, strategy and lifestyle, including access to on-market and discreet opportunities.

04 · SETTLE & ENJOY

Lifestyle Concierge

Responsive assistance with relocation, property setup and the practical details that make a new place feel immediately comfortable.

Flexible homes for *demanding schedules.*

Not every relocation follows a conventional timetable. Our specialist service brings together responsive property sourcing, discreet coordination and practical support for clients whose work, study or career requires flexibility.

01 · FILM & TELEVISION

Production accommodation

We arrange short- and long-term accommodation for directors, producers, cast, crew and visiting industry specialists. Searches focus on high-quality furnished homes with convenient access to studios, filming locations and transport links.

Our team can respond to rapid placements, extensions and changing production schedules while maintaining a consistent, confidential point of contact throughout the stay.

Rapid placement

For urgent or changing briefs

Flexible duration

Short stays and extensions

Ongoing support

Before and during occupancy

02 · SPORTS LETS

For athletes, agents *and sporting professionals.*

We source high-quality short- and long-term homes aligned with training schedules, privacy expectations and travel requirements. Area guidance considers proximity to clubs, training grounds, competition venues and transport connections.

Where relevant, we can also introduce property sourcing and investment guidance to support longer-term lifestyle and financial objectives.

03 · STUDENTS & GRADUATES

A supported first move.

Our personal accommodation service supports students, interns, graduates and new starters moving into or around London. Every search is shaped around budget, university or workplace, preferred neighbourhoods and day-to-day lifestyle.

We coordinate viewings, application steps, relocation details and move-in, giving clients and their families a clear, dependable contact throughout the process.

START A CONVERSATION

Tell us what *you need.*

Share the location, timing, budget and type of support required. We will respond personally and shape the next steps around your brief.
