

ONE STROKE

Total Printing Solution Experts

**THINK GLOBALLY
THINK INNOVATIVE**

ABOUT US

One Stroke is a leading provider of customized branding solutions and premium workwear based in the UAE. Since our establishment, we have built a reputation for delivering high-quality corporate gifts, apparel, promotional products and signage services to clients across a wide range of industries. By combining state-of-the-art printing and embroidery technology with streamlined logistics and installation expertise, we help organizations build brand visibility, strengthen customer loyalty and outfit their teams with durable, professional attire.

Vision

To be the region's most trusted partner for end-to-end corporate gifting, branded workwear and signage solutions—delivering innovation, consistency and excellence at every touchpoint.

Mission

Craft memorable, value-driven corporate gifts and promotional merchandise that reinforce our clients' brand stories. Supply premium-quality T-shirts, caps, uniforms, tote bags and other apparel that balance style, comfort and durability. Employ advanced printing and embroidery techniques to bring logos and creative designs to life with precision and clarity. Design, produce and install indoor and outdoor flex banners that meet the highest standards of visual impact and weather resistance. Foster long-term partnerships by offering responsive account management, reliable on-time delivery and attentive after-sales service.

Core Services
